ORDER
PRN 1651301

By its Petition (PRN 1651301) to the Division of Gaming Enforcement ("Division"), IDEA Boardwalk, LLC d/b/a Flirt Bar, The Social, HQ Nightclub and HQ Beach Club ("IDEA") requests an amendment to its Casino Hotel Alcoholic Beverage ("CHAB") Interim Authorization. IDEA currently holds an Interim CHAB Authorization (3333-01-093-001) for its CHAB licensed premises within the casino hotel facility of Revel Entertainment Group, LLC d/b/a Revel ("Revel"). IDEA now seeks to amend its Interim CHAB Authorization to include a Type V (storage) authorization for two (2) enclosed areas ("storage areas") located on the OP Level of Revel as depicted on the architectural drawing submitted as an exhibit to the Petition. One storage area is to be used for storage at room temperature and the other for cold storage. The Division has inspected the proposed storage areas and found the aforementioned areas suitable for Type V authorization in accordance with the Division's regulations.

Having considered the relevant provisions of the Casino Control Act, *N.J.S.A. 5:12-1 et seq.*, I hereby ORDER that the Petition be granted and the Interim CHAB Authorization of IDEA be amended to authorize the storage areas as Type V CHAB outlets, subject to the following conditions:

1. Any IDEA employee who is responsible for the handling and storage of the alcoholic beverages within the storage areas should be designated as a CHAB

employee who possesses the requisite qualifications and has received training in the sale of alcoholic beverages to the public.

2. Storage of alcoholic beverages within the storage areas will comply with all requirements attendant to Type V CHAB authorization, pursuant to *N.J.S.A. 5:12-103g(5)* and *N.J.A.C. 13:69I-3.5*, and with all applicable alcoholic beverage laws and regulations of the Division and, as deemed applicable, the Division of Alcoholic Beverage Control.
3. IDEA is to obtain all necessary approvals from other governmental agencies prior to commencing operation of the storage areas as Type V locations.
